Shhhp- Nothing to report at this time

Fig- It will be an ongoing workgroup. All suggestions are encouraged and welcomed.

The group proposed having a Chili Cook-off. It was suggested that the various teams compete against each other and possibly having celebrity judges from the community judge the Chili. It is further considered to be coordinated with a school function such as a Saturday basketball game. It was also suggested that the Jazz band play for entertainment and the winners be awarded at the game. The purpose of this event is to encourage participation in all of the sports. It was suggested that this event be held in the gymnasium and could become an annual fundraiser.

Kroger Card - Currently individual teams are participating in the Kroger Card program. The Boosters will develop some procedures and guidelines so that we can report that wishes to participate in the program can. The Boosters also want to make sure they are in compliance with the Advertisers. Mr. Ross concurred. The committee will continue to work on this and will report back next meeting.
