

Incoming Freshman Athletic Eligibility

O. H. S. A. A. Eligibility

A student enrolling in ninth grade for the first time within the first grading period of the athletic has passed 75% of the classes, the last six-weeks of the student's eighth grade year to be eligible, a student must be currently enrolled and must have been enrolled in school immediately preceding grade.

South-Western City Schools Eligibility

In addition to the previously stated O. H. S. A. A. academic standards, to be eligible for the first grading period of each year, the student must have attained the minimum marking average for the preceding grade level during the last marking period of the preceding year. An incoming freshman athlete must maintain a 1.6 GPA for the last marking period of each year. Starting with the second grading period of each year, they must attain the minimum marking period average for their grade level to remain eligible. Students in grade nine must have a minimum marking period average of 1.6 GPA.
